- > Other textures: silk, ribbon, rhino, bark, grid, diamond
- > Project colors
- > Corner elements

**Metallics:** Trespa Virtuon panels feature a directional color surface. See technical documentation or installation guidelines for further information. The full quantity of Trespa Virtuon Metallics sheets required for a project should be ordered and supplied as a single instruction.

**Fire Retardant Grade:** Trespa Virtuon single-sided decorative Fire Retardant grade will be faced with an identification print on the reverse of the panel in addition to the panel sticker. Trespa Virtuon double-sided decorative Standard Grade and Fire Retardant Grade can be clearly identified and distinguished on the basis of the panel sticker.
